Subject : In-campus facility for Online submission of Scholarship forms.

Notice

It gives us immense pleasure to convey to the on roll students of this College that the College administration has resolved to establish one scholarship counter in the Admission Section of the College. The students can now onwards submit the online application forms for National Scholarship at this counter against a nominal charge of Rs.50/- to be deposited in cash against proper receipt. This in-campus facility is expected to relieve our students from the stress they used to undergo while approaching for scholarships.
