## ADMISSION NOTICE – 01 OF 2022 FOR UG & IPG PROGRAMMES

It is notified for the information of all admission aspirants that the College is offering admission for its various UG and IPG Programmes for academic session 2022 as per **National Education Policy -2020**.

**The aspirants are advised to read the admission notice carefully so that the process of admission for them is smooth and hassle free. Admission Process will be completed in two stages.**

### STAGE- I

Admission seekers will apply for admission in online mode only on the basis of **MAJOR SUBJECT** for UG or IPG Programmes. A student will be granted admission purely on the basis of the student's position in merit list and as per intake capacity of the Programme identified by that Major.

### Illustration:

- If a student wants to pursue an Honours Programme in Chemistry, then the student has to choose Chemistry as the Major.
- If a student wants to pursue an Honours in Business Administration, then the student has to choose Business Administration as the Major.
- If a student wants to pursue an Integrated PG Programme in Zoology, then the student has to choose Zoology as the Major.

### STAGE- II

After a student is admitted to a programme on the basis of choice of Major then there will be a Programme specific counselling for selection of other required courses pertaining to the programme of study. The courses include **Interdisciplinary Minor (in aid of major), Multi- disciplinary, Skill, Ability Enhancement and Value-Added** ones and same shall be offered from the pool of available courses applicable/associated with the discipline of study.

*The seats for the programmes are fixed as per the intake capacity, 10% of seats across all programmes are reserved over and above the fixed intake capacity as self-finance seats.*

Aspirants desirous to seek admission to the above **Major disciplines** are advised to check the requisite eligibility before applying. **Admission shall be granted purely on the basis of merit obtained by the aspirant in 12<sup>th</sup> class examination** and as such aspirants have to apply through a selection process for seeking admission.

## DETAILED SELECTION PROCESS

1. Selection to a Major Course will be purely based on merit and priority set by the applicant in a floating seat matrix mechanism. As such applicants may choose one or more than one Major Course for consideration for selection in any one of the programmes.
2. Selection to a preferred Major Course shall be carried out on **merit basis** and in case aspirant's merit falls below the prioritized choice, the applicant shall be considered for next choice/option set by applicant. This downward progression will terminate at the last chosen option/choice.
3. If an applicant does not find his/her name in the merit lists of the chosen priorities of Major Course it indicates that the choices chosen have closed at a merit higher than that of the applicant.
4. If an applicant is selected at priority number 1 (set by applicant), the subsequent choices for selection for that applicant shall not be considered.
5. Vacancy based upward progression towards priority number 1 of the applicant shall be carried out automatically till fill up of the intake and/ or till closure of admission process.
6. Applicants are advised to mark their Major Course selection carefully as submission of application form which includes deposition of processing fee online will lock the choices of the applicant and cannot be changed.
