ISLAMIA COLLEGE INVITED JANAB KHURSHID AHMAD GANIE, IAS FORMER ADVISOR TO HON'BLE LG, UT OF J&K FOR SPECIAL LECTURE ON NATURAL RESOURCES

Natural resources are materials that are found in nature and unaltered by mankind. In this backdrop & as a part of G-20 celebrations a special lecture by Janab Khurshid Ahmad Ganie, IAS, Former Advisor to Hon'ble LG, U.T of J&K was held at Islamia College, Srinagar. At the onset, Principal of the College Professor (Dr.) Khursheed A. Khan welcomed the Chief Guest Janab Khurshid Ahmad Ganie, IAS to the College Campus. Principal expressed that how we can maintain clean, green, and healthy environment & creates better places for ourselves. Professor Khan, briefed that as a part of G-20 celebrations many events, workshops & seminars were carried within and outside the college campus to promote appropriate strategies and polices for the sustainable management of natural resources. Dr. Showkat Yousf Beigh, HOD, Botany expressed his gratitude to the College administration for inviting Janab Khurshid Ahmad Ganie, an eminent personality of the UT of J&K to the College campus. Prof.

Abdul Majid while expressing his views stressed how to improve and protect our natural resources, environment & ecology through effective consultation. Chief Coordinator of G-20 programmes in the College, Dr. Zahoor Ahmad Jhat, thanked college administration for consistent support for conducting events under G-20 in the campus. The Chief Guest & Keynote speaker Janab Khurshid Ahmad Ganie, IAS, Former Advisor to Hon'ble Lieutenant Governor, UT of J&K in his crisp presentation gave the broader vision about global warming, average temperature rise, greenhouse effect, natural resources, its distribution and formulation of appropriate strategies and polices for sustainable management for clean, green, and healthy environment. He seeks to improve the policy framework through effective consultation with all stakeholders, including the academia, think tanks and UT administration of J&K. He expressed his concern that, if anthropogenic activities continue in the same trajectory, there will be no natural resources left for future generations. Large number of students from PG Botany, Zoology, IPG & Hon's besides students from other Departments actively participated. The students expressed how natural resources can be protected for future generations during their interactions with the keynote speaker. Er. Abdul Rashid Bhat, EMMRC, University of Kashmir was also part of the event.
