STUDENT NOTIFICATION FOR SUBMISSION OF ACADEMIC BANK OF CREDITS (ABC) ID'S

Reference: ABC ID submission through a Google Form Link circulated through WhatsApp groups amongst the various Semesters of UG/PG programmes presently enrolled in the college.

As the NEP 2020 envisages the HEI's to facilitate the academic mobility, to store and publish the academic awards through Academic Bank of Credits (ABC), our Institution being in the same platform through NAD is in the process of maintaining the integrity and authenticity of student credits at ABC platform through credit accumulation, verification and redemption by linking their academic credentials to their DigiLocker accounts.

In this regard. the complete instructions and registration process to create DigiLocker accounts at https://accounts.digilocker.gov.in/ and generate their ABC ID at https://www.abc.gov.in through their Aadhar number was in a detailed way shared with the students through a college notification and were allowed to collect ID cards from the college MRSM library only at the production of ABC ID's.

Further, students enrolled for various programmes in the college were advised to get fully aware about ABC facility by visiting the ABC website to understand ABC Scheme completely and to acquaint themselves with necessary information, instructions and guidelines regarding importance of DigiLocker and ABC scheme. The students were also clearly informed that in future all the academic credentials including credit courses and transcripts, certificates, degrees will be available only on the institutional NAD portal and DigiLocker.

Subsequently, students enrolled in the college were again sensitized about the importance of DigiLocker and ABC accounts through the respective WhatsApp groups and the google form link was shared in all the student WhatsApp groups enrolled for UG/PG Programmes for the submission of Aadhar based ABC ID number and cards compulsorily with the Nodal officer DigiLocker-NAD/ABC in the Examination Cell of the college first by or before **December 27, 2022**, and then extended to **December 30th, 2022** due to poor student response.

As the poor response regarding the submission of ABC IDs continues on behalf of the students of various semesters presently active in the college at UG and PG level, which has hampered the processing of student accounts at NAD. **The students must note that the result of the ongoing examinations and statement of marks will only be published through the DigiLocker service and the credits earned by the students will be credited only through their ABC accounts.** Hence, it is mandatory for a student to submit his/her ABC ID without any fail **by or before January 7th 2023** through the provided google form link. https://docs.google.com/forms/d/e/1FAIpQLSdLEtQc9F5P4gxGiOVXXYf-rCryOdPEH95VePUBjrhMlW5qaw/viewform?usp=sf_link

This circular must be treated as the last and final information for ABC ID submission for the students of the college and the semester end results and credit awarding will be stopped for the defaulters.
