Sub: Allocation of Students for Mentoring

Ref: Circular vide No. DC-HE/2026/K/886 dated 24-02-2026 from Director Colleges, J&K.s

In order to involve all the students of the college in the mentoring process and in compliance with the circular instructions under reference on the captioned subject, students have been formally allocated to each teaching staff member (including academic arrangement) for mentoring.

Under this Mentor-Mentee system, every faculty member has been assigned a group of students to guide and support them in their academic progress, personal development and overall well-being as per the list attached. The mentors will regularly interact with their mentees, monitor their academic performance, address their difficulties and provide proper necessary guidance whenever required.

This initiative aims to strengthen the student support system in the college and ensure effective communication between students and faculty for their academic and overall personal growth.

The Heads of Departments are hereby directed to inform all faculty members (including AA) about the mentee allotted to them.

Prof.(Dr.) Tehmina Yousuf
Principal
