Same would help the students of UT in terms of getting them in sync with National Academic Calendar. Further, the implementation is going to provide opportunity to students passing from Central Board of Secondary Education (CBSE) to get admission to various programs and to ensure their inclusion.

In this regard for the first time College has offered admission opportunity to such students by asking them to submit online applications with ZERO as 12th class marks due to nonavailability of result. Good number of students had applied in online mode and their results have been declared recently on 22-07-2022).

All the applicants from Central Board of Secondary Education (CBSE) who have applied in online mode and are desirous of admission at Islamia College are directed to deposit their self-attested Marks Transcripts of class 12th by or before 9th of August, 2022 4.00 PM so that their online applications are processed for admission.
