The Cyber Jagrookta Diwas (Awareness Day) is a national recognised campaign whose aim is to inform the public and particularly students about the importance of Cyber Security and its preventive measures. Nowadays, it has become the need of an hour to educate every individual and particularly students of all ages about the problems associated with usage of online platforms. In this context, the Indian Cyber Crime Coordination Centre (I4C) of Ministry of Home Affairs (Government of India) is organizing an event on every 1st Wednesday of the month as per its guidelines.

The Islamia College of Science & Commerce is organizing it since December 2021 and in this series, the next event will be Poster making competition, which will be held on Wednesday 2nd Nov 2022. The students can participate as an individual or as a group. The top three selected posters of participants will get

merit certificates. The following can be the themes of the event for Poster making but not limited to

1. Cyber Hygiene.
2. Digital Detox.
3. Cyber Scams.
4. Cyber Attack Types.
5. Social Networking Frauds.
6. Mobile Cyber-Crimes.
7. Hacking & its types.

For further details, students can contact the Coordinator at 9419088864. The link for the registration is as:
